Lisa Jones, Thoughts About Art

Art is Important Because ...

Art helps us understand the world we live in.

Three Words that Best Describe Art....

Engaging, educating, emotional

Practising my Art is....

Important to knowing who I am.

Discovering new art is...

Like opening a new door into a new other world

Enjoying Art (being surrounded by Art) in my Home is....

The only way to live!

Lisa Jones 2016
